Tranquille™ 30

Napoleon's Tranquille™ 30 Electric Fireplace comes complete with both a log set and CRYSTALINE™ glass ember bed ensuring a seamless match to your style and tastes, plus you can change it up anytime the mood strikes. Instantly change a boring room into the beautiful space it can be with the ambiance and warmth of an electric fireplace focal point. The convenient on/off switch on the unit or the remote allow you to relax, while remaining in total control of the flame and ember bed brightness. The Tranquille™ 30 reflective rear panel mirrors the flames giving you fireplace depth without actually taking up space.

Product Features

- 5,000 BTU's and 1,500 Watts
- A modern 30" clean face electric fireplace with a realistic traditional log set and crystal ember bed that looks great in both a mantel or drywall installation
- Comes with both the log set and the crystal ember bed. Choose one now and change it up later!
- Tinted reflection panels give the illusion of a deeper, larger firebox
- Exclusive ULTRA BRIGHT™ LED overhead NIGHT LIGHT™ as well as flame colors can be set on orange, blue or multi.
- Easy installation… simply plug it in and enjoy—convenient for homeowners who are limited with venting options
- Offers an open view of the fire with it's luxurious pewter finish and modern frame design
- Adjustable temperature control keeps your comfort level exactly where you want it
- Easy access on/off switch
- Comes with full feature remote that controls thermostat, heat settings, flame settings, timer, NIGHT LIGHT™, on/off and more
