Prestige Series Media Console Packages

Napoleon Prestige Media Console Packages are very modern and each media console package offers a variety of features and functions. The Alanis is all sleek black with two sliding drawers for storage while the Shelton comes with side doors that swing open a full 90 degrees with smoke tempered glass shelves and motion sensor LED lights. Both media consoles come with a convenient top compartment for media components with built in wire management system.

Allure™ Phantom 42 Electric Firebox Features

- 5,000 BTU's and 1,500 Watts
- Matte surround and mesh trim front eliminates reflections
- Crystal clear cube ember bed accents the flames
- Simply plugs into a 120V wall outlet or can be hard wired
- High intensity LED lights provide day or night intensity and require no servicing
- Standard sleep mode allows the on screen controls to dim completely after 10 seconds
- Options of both blue or orange flames, or a combination of both
- Features front vents within the sleek design for maximum zone heating
