Prestige Mantel Packages

Napoleon Prestige Mantel Packages are very modern and each mantel package offers a variety of features and functions. The Alanis is all sleek black with two sliding drawers for storage while the Shelton comes with side doors that swing open a full 90 degrees with smoke tempered glass shelves and motion sensor LED lights. Both mantels come with a convenient top compartment for media components with built in wire management system.

The ALLURE™ 42 is highly efficient, heating rooms up to 400 square feet, allowing you to save money on your heating bill by heating only the space you are in with the romantic flickering glow of a fireplace. Want the ambiance of a fire, but it's the middle of summer? No problem! The Allure™ 42 heater can be turned on and off with the included remote or touch panel controls, providing mood without the heat.

ALLURE™ 42 Electric Fireplace Features

- 5,000 BTU's and 1,500 Watts
- Simply plugs into a 120V wall outlet or can be hard wired
- Features front vents within the sleek design
- Can be fully recessed into the wall for a flush appearance or easily hang on the wall with a built-in bracket
- Ultra slim design, 5" depth makes it one of the slimmest wall mounts in the industry
- Paintable cord cover included (covers cord and can be painted to blend in with existing décor)
- Crystal clear cube ember bed accents the flame
- Feature the option of both blue or orange flame, or a combination of both
- Convenient remote control (controls flame intensity, flame color option, blower, heat output and timer)
- High intensity LED lights provide day or night intensity and require no servicing
- Easy access manual on/off switch
- Easy installation with a built-in mounting bracket... simply hang, plug and play
- On screen controls dim after 10 seconds disappearing completely off screen
- Is also sold separately as a wall hanging unit
