The Napoleon® EPA Stove Cutaway Poster has been updated to match Napoleon's new look. In the spirit of going green, Napoleon® will no longer be printing and stocking these posters. If you are interested in having this poster in your showroom we have print ready artwork available for you to send to a local printer or sign company.

Printing costs of the ADSI606 Stove Cutaway Poster can be claimed under co-op providing Napoleon's Co-op Advertising guidelines are followed and the appropriate paperwork has been submitted to Advertising.

To request the print ready file or for more information about Napoleon's Co-op Advertising Program please email Napoleon's Advertising Assistant, Nicole Tremble, ntremble@napoleonproducts.com.
