

Continental® products are designed with superior components and materials, assembled by trained craftsmen who take great pride in their work. The complete appliance is again thoroughly inspected by a qualified technician before packaging to ensure that you, the customer, receives the quality product that you expect from Continental®.

CONTINENTAL® C92 GAS FURNACE PRESIDENT'S LIMITED LIFETIME WARRANTY

This heating unit is warranted by Wolf Steel Ltd. ("Continental®") to be free from defects in materials and workmanship under normal use and maintenance.

PRESIDENT'S LIMITED WARRANTY (Registered)

To the original registered owner and his or her spouse ("owner"), the **HEAT EXCHANGER*** is warranted for **20 YEARS in the home** which the unit was originally installed, and **all remaining parts** as warranted for a period of **10 YEARS**, except as provided below. These warranties apply only if:

- The unit is installed in an owner-occupied, primary single family residence, and
- The unit is properly registered with Continental® online within 60 days after the original installation. To register, go to www.continentalheatingandcooling.com. Some states and provinces do not allow limitations on how long an implied limited warranty lasts or do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This limited warranty gives you specific legal rights, and you may also have other rights which vary by jurisdiction.

OR

LIMITED WARRANTY (Not Registered)

If not registered within 60 days, the **HEAT EXCHANGER** is warranted for a period of **20 YEARS** (pro rated), and **all internal functional parts** are warranted for a period of **5 YEARS**, all other limitations apply.

Proof of purchase will be required. Replacements are subject to review and verification by a Continental® representative.

Warranty ceases to exist if the unit is removed from the location where it was originally installed.

This limited warranty will not apply unless the gas furnace is: (1) installed by a licensed or qualified HVAC technician, (2) installed in accordance with the manufacturer's recommendations in its Installation and Operation Manual, and (3) in compliance with all industry standards, national, provincial/state, and local codes.

Regardless of time of registration, the warranty period begins on the date of the original installation. Where a product is installed in a newly constructed home; the date of installation is the date the homeowner takes possession of the home from the builder. If that date cannot be verified, the warranty period begins three months after the month of manufacture (indicated by the first four digits of the serial number).

As its only responsibility, and your only remedy, Continental® will furnish a replacement part, without charge for the part only, to replace any part that is found to be defective due to workmanship or materials under normal use and maintenance.

To make a warranty claim, the defective part must be returned to a Continental® heating and air conditioning products dealer/distributor by a certified or licensed contractor. Any part replaced pursuant to this warranty is warranted only for the unexpired portion of the warranty term applying to the original part.

* "Heat Exchanger" means the primary combustion heat exchanger for the gas furnace and the secondary or tertiary heat exchanger. The plastic front manifold condensate collector attached to the secondary or tertiary heat exchanger is not considered part of the heat exchanger.
